

REMARKS

Claim 21 was the only claim examined as claims 1-20 and 22-48 have been withdrawn. Claim 21 stands rejected under 35 U.S.C. § 103(a) as being unpatentable over Murata (U.S. Patent No. 6,393,058). Applicants have herewith canceled claim 21, making the rejection moot, and have added claims 49-55 to more clearly define the present invention.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

Ronald Kimble
